

Definition of a simile.

Cut out trifold as one piece.

Then cut on solid line to form two lift tabs.

Write the definition of a simile used in this scripture.

What does this scripture mean?

Then under flap two have your child describe the power of our words, whether spoken or written.

Glue this part to your page.

Proverbs 25:11

... like apples of gold ...

While this quote may not be true there are many health benefits of the apple. List some of them and glue each page inside the apple. When ripe they contain vitamins B₁, B₂, B₆, C, and E. It also offers a variety of sugars, such as dextrose, fructose, and sucrose. It has mineral substances like calcium, potassium and magnesium.
