

Egyptian Vessels

AN EGYPTIAN TRADING VESSEL OF THE FIRST HALF OF THE XVIIIth DYNASTY.¹

- How important was the Nile River to the Egyptians?
- Why was the river so important?
- Describe the differences and similarities between trade in Ancient Egypt and today?
- Explain some improvements made in their ships.
- At first the ships were built for transportation, but eventually they had to do sea battle. Record the events of one sea battle by reading here:
