

Treasure of the Whydah

fold here ↑

Cut out on outside lines. Fold the top of the treasure chest over and bring the bottom that has the “text” on it up. The key hole is the top and it should lap over and be over the bottom that has text but will not cover text.

This white part goes glued to your lapbook or notebook.

Research the expedition of treasure recovered from the Whydah, the ship that sank in a storm in 1717. In this book, you can record your observations on the following:

- How many pirate shipwrecks have actually been recovered?
- Use the links at the bottom to record the timeline of events.
- Record the events that made the Whydah one of the most advanced ships of her day.
- Be sure to view and learn of some of the artifacts collected by going to the links.
