

Jewelry & Jade

Blank writing area with a vertical dashed line down the center and horizontal dashed lines for writing.

{jadeite flower earflares }

{burial mask of Lord Pakal }

The royals wore a lot of jewelry like bracelets, knee bands, anklets, necklaces, rings and ear plugs. Ear plugs were earrings that fit inside large holes cut in the earlobe.

Mesoamerican jade is called “jadeite”. Though green, it can also be black.

Use a few of these facts or write some of your own.

Cut out the two tab pull down book as one unit.

Write your information.

Then, cut on the solid line in center but not all the way through. Triple fold with color picture on the outside.

Glue to your page.
