

Leonardo wrote backwards. Here the alphabet has been placed on your minibook backwards for you to use. See if you find it as easy as Leonardo did :o)

Write about Leonardo and crack the code by putting it up to a mirror to read it.

My middle guy wrote in his:

First part - Renaissance Man.

Then the second part was words used to described him:
Artist, dreamer, scientist, Inventor

The third part he wrote: Leonardo was awesome and his machines were memorable.

Write your own code.
