# Who was Daniel Boone?

Cut out mini book and fold top flap down. Glue title "Who was Daniel Boone?" on front.

Cut out scroll and glue inside and write facts about Daniel Boone.

Or

Use our scroll with facts.

Daniel Boone spent almost all of his life being an explorer. Boone was an American pioneer and trail blazer.

He helped open up the wilderness beyond the 13 original colonies.

Boone is most famous for his exploration and settlement of what is now the U.S. state of Kentucky. In 1778 Boone blazed the Wilderness Road through the Cumberland Gap and into Kentucky.
