

What is a legend? It is a story about people, places or events that have some historical fact as their basis; they often embellish details, giving them exaggerated qualities.

Cut out the Tick Licker. *Please note:* The gun is more of a “decorative item”, however if you want to glue information on it, we have provided a few details.

## Area of Exploration

Write your answers:

- mountains in eastern North America  
Appalachian Mountains
- Daniel Boone was born in
