

MY FAVORITE SOUNDS

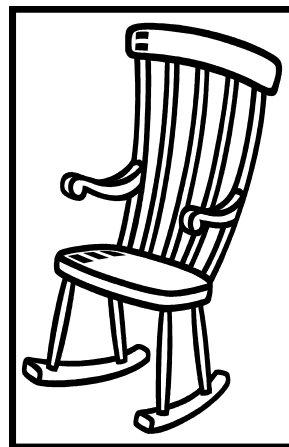

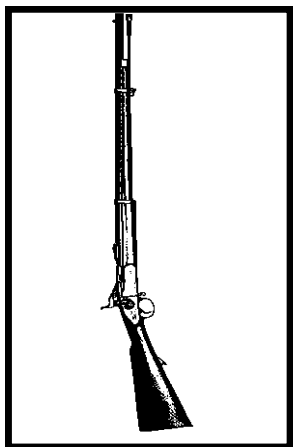

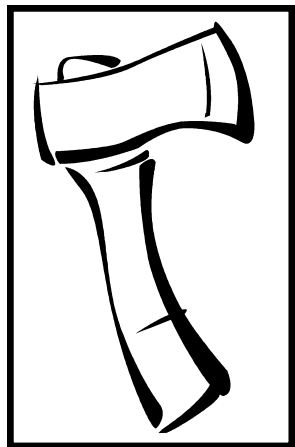

Glue this to the back of your notebook or file folder.

Book 1

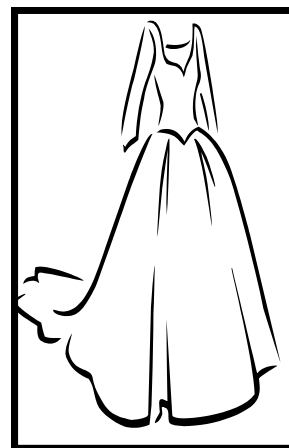

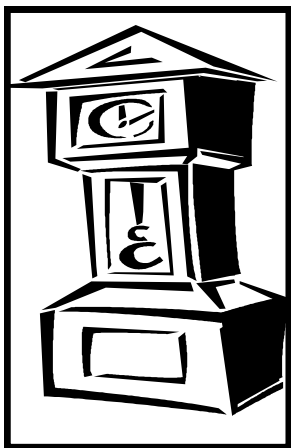

Take it with you

Leave it behind

Decide what to leave and take with you. If your oxen are too weighed down, it will bog you down along the trail. Lightly color map and items with map pencils if you choose to. Then cut out all pieces on outside lines. Glue book two inside book one so Oregon map is on top. Then glue items on each side that you keep or leave.

Answers:
Take: Ax, Flour, Rifle

Leave: Wedding Dress,
Clock and Rocking Chair.
