Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line. There are seven sets of these lines available for writing.

Cut out book on previous page and compare Falcons to Hawks. Too, you can write a few sentences about Birds of Prey in general.

After you cut out previous page, fold bottom up and fold sides in on dotted lines. Cut out titles on this page and glue on the front right and left flaps of your mini book.
