

Cut out mini book with inside pockets as one unit. Fold bottom up. Staple or glue the pockets on the outside edge only. There is no need to glue the "valley" or inside crease. The cards stay fine without it.

Also, do you have green staples? LoL It looks nice with green staples..

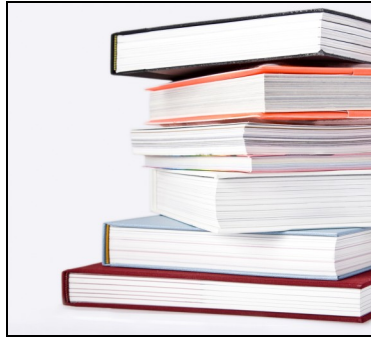

Then cut out information cards, memorize and learn which products come from what part of the tree.

	 <p>What do we get from trees?</p>
<p>than 5,000 products from trees?</p> <p>Tree Extracts</p> <p>Tree Bark</p>	<p>Did you know that we get more</p> <p>Paper Products</p> <p>Hardwood Products</p>
