

# Instruction Sheet.

## Do not need to print this sheet.

Before printing off everything, please notice that pages 2 and 3 are the same except, page three has the answers filled in. If you have a younger child or if you are not concerned with so much writing, then use page 3.

Too, this clipart is a lot of color but again, we love color and this clipart is purchased by us for use with our group and members.

Page 4, it is a cloze activity. (certain words are deleted and need to be filled in)

Look at pages 138 to 143 in the book for research and here are the answers beginning with the left side, top to bottom.

## The Victor is.

Henry the Tudor became King Henry VII of England and Wales. Henry Tudor set out next to make his position secure.

First, he appointed Bishop \_\_\_\_\_ as Head of the Royal Treasury. The Bishop devised a scheme of taxation called \_\_\_\_\_.

By claiming his rule began earlier than it actually did, the lords loyal to

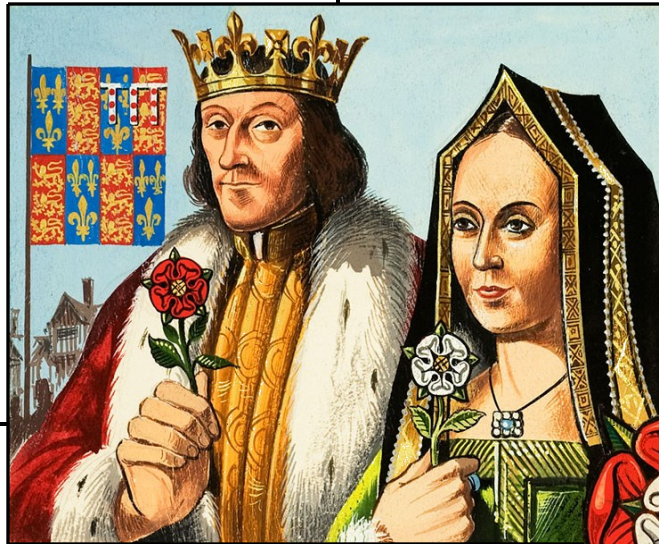

King Richard had their \_\_\_\_\_ confiscated and were \_\_\_\_\_.

Then on \_\_\_\_\_, 1486 King Henry married \_\_\_\_\_ of \_\_\_\_\_ to unite the warring factions and bring to an end the War of Roses. In the fall of 1486, they had

their first child, a son and named him \_\_\_\_\_.

Today in Winchester Castle there can be seen a huge round table with the picture of King Arthur and a \_\_\_\_\_ rose.
