Note: There are two Vocabulary Words minibooks.

This first one has words already on them.

The minibook on the next page, you determine which vocabulary words you want.

Also, there are two pages for the definitions.

One page is blank if you want your child to write in the definitions to these words. Too, you can use the blank page for words that you choose.

The next page has the printed definitions to these words. So if you have a younger child, then copy/paste the definitions under these words.

Fold on dotted lines, cut on solid line.

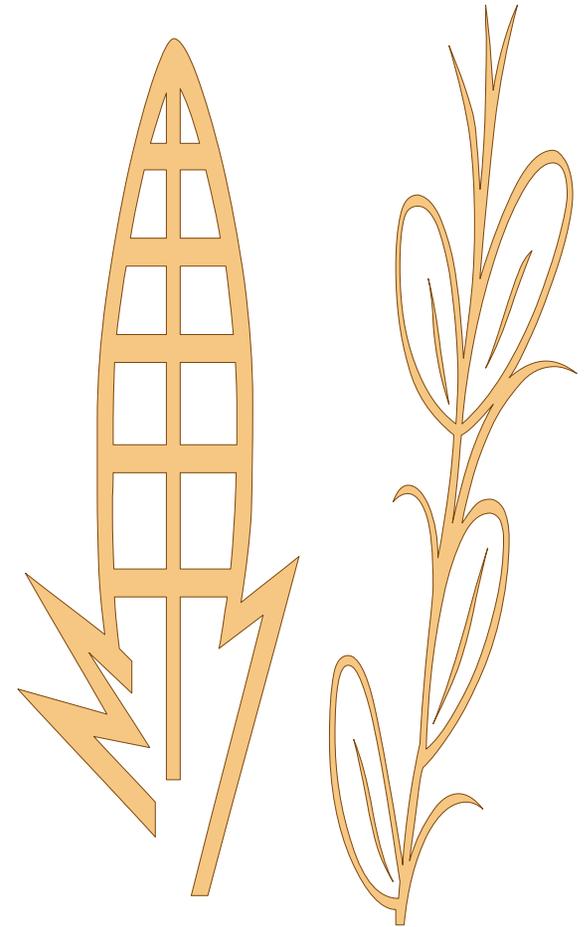

Trifold.

This is the back of the minibook.

When you flip it around and the front is facing you, fold over right flap (vocabulary words) and then fold over left flap (cover).

Then glue this part to your page.

A vertical rectangular box containing ten sets of handwriting lines. Each set consists of a solid top line, a dashed middle line, and a solid bottom line. On the left side of the box, there are five vertical brown tabs, one centered on each set of lines.

Use this page if you want your child to write in his own definitions.

Also, use this page if you have vocabulary words that you chose.

First, have your child write his definitions, then cut out as ONE piece and glue under the tabs.
